Federal Assistant to the National President

### ***Welcome to the National Organization of Black Law Enforcement Executives (NOBLE) Federal Corner***

Greetings my NOBLE brothers and sisters. I want to thank you for giving me the opportunity to serve you once more as the Federal Assistant to the NOBLE National President. I also want to thank former Associate Members Representative Laura Garris (NYPD), Strategic Planning Committee Chairperson Carolyn Williams (ATF), and Associate Special Agent in Charge Wilbert Plummer (DEA) for all their support last year. We had a wonderful Federal Reception in New York and if not for their efforts as well as several members from New York City, the reception would not have been a success. I would also like to thank Mr. Dennis J. Schnur, Chairman of the Federal Drug Agents Foundation, for funding our Federal Reception at the conference. If not for Mr. Schnur and the Foundation, the Federal Reception would not have happened and we would have missed an important opportunity for exchanging ideas and networking. Mr. Schnur and the Foundation are involved in several innovative initiatives that support Federal, State, and local law enforcement. As the Federal Assistant to the National President, I want to encourage you to work with and assist the Foundation by supporting their efforts, which in turn, support you. This is a fantastic group of citizens that understand and appreciate the work you do as law enforcement officers.
