

11/2/2016

To the kind members of the
Federal Drug Agents Foundation,

My family and I would like to thank you for your generous gift. Paul would have been very touched, as we are, by your kindness.

Although Paul was State Police, he was also a member of the DETF. He was very proud of this and enjoyed his time there. Through the years he made many new acquaintances who eventually became good friends. That was made evident by all of the love, support and prayers from so many, in so short a time.

You are all truly exceptional people who genuinely care. Thank you for all the sacrifices you make to keep us safe. God bless you all.

With heartfelt gratitude,
Shila Stuewer
and Family
